REINSTATEMENT ORDER

This matter was opened to the New Jersey State Board of Dentistry (hereinafter "Board") upon the filing of a written Petition for Reinstatement by Anthony F. LaBue, Esq., representing Steven L. Rasner, D.M.D., such Petition being supported by numerous written documents attesting to the rehabilitation of Dr. Rasner with respect to his personal use of cocaine and his prior criminal conviction related to such use including, but not limited to, report from Dr. Barbara McCrady, Director of the N.J. Impaired Dentists Program; psychological evaluation by Dr. Harvey Musikoff; letter of Dr. Walter Cohen, Professor of Periodontics, University of Pennsylvania; psychiatric report of Gail Shuler, M.D.; and report of David W. Wilson, U.S. Probation Officer. In addition, Dr. Rasner personally appeared before the Board on August 20, 1986, to request reinstatement of his license to practice dentistry. By Order of the Board entered July 10, 1985, Dr. Rasner's license was revoked with the provision that he could petition for reinstatement one year from the entry of the Order.

The Board thoroughly reviewed the entire record before it and after diligent deliberations determined to enter the Reinstatement Order as follows.
